MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT: Bureau of the Budget Request for Views on S. 1035

1. Attached is an exchange of correspondence between the Agency and the Bureau of the Budget in which the Bureau of the Budget requests views on S. 1035. Their form memorandum was dated 3 October 1967 and it requested replies be made within 30 days. You will note that the Agency response, over the Director's signature, is dated 12 October 1967.

2. The Agency views were embodied in a letter to Congressman Mahon dated 25 September 1967 and this was sent as an attachment to the Director's letter.

3. The Bureau of the Budget memorandum in addition to going to the Agency went to Defense, State and Treasury. Colonel White and others met with Bernard Martin and John Hurley of the Bureau of the Budget on 12 December to discuss this in more detail and also to give a detailed run-down on our recruiting and screening procedures. At that discussion Mr. Martin indicated that he had received no replies from any department except the Agency. Mr. Martin also indicated that undoubtedly he would request views from the Atomic Energy Commission.

4. It is to be hoped that the agencies concerned would expedite their responses. The basic purpose of the Bureau of the Budget collecting views is to prepare a report on the bill which has been requested by the House Post Office and Civil Service Committee where S. 1035 has been referred in the House.

Atts.
